#### **Director's Report**

Dear Shareholders,

Your Directors have pleasure in presenting the 18<sup>th</sup> Annual Report together with the Audited Financial Statements of the Company for the Financial Year ended March 31, 2023.

#### FINANCIAL PERFORMANCE SUMMARY

The financial highlights of your Company, for the year ended March 31, 2023 are as presented below:

(₹ in Lakh)

<u>Particulars</u>	March 31, 2023	March 31, 2022
Gross Income	14,298.47	10,375.84
Expenditure	4,601.91	4,122.01
Earnings before interest, depreciation and tax	9,696.56	6,253.83
Depreciation & amortization expense	136.43	128.32
Profit before Interest	9,560.13	6,125.51
Finance costs	4,232.31	4,153.50
Profit/ (Loss) before Tax	5,327.82	1,972.01
Tax Expense	932.70	343.81
Profit/ (Loss) after Tax	4,395.12	1,628.20
Re-measurement gains (losses) on defined benefit plan	10.21	(4.23)
Total Comprehensive income for the year	4,405.33	1,623.97
Earning per shares (EPS)	3.18	1.13

During the year ended March 31, 2023, your Company has made a profit of ₹ 4,405.33 Lakh as compared to ₹ 1,623.97 Lakh during the previous year. Increase in profits during the Financial Year 2022-23 is mainly on account of increase in other income.

#### STATE OF COMPANY'S AFFAIRS AND FUTURE OUTLOOK

The Company was incorporated as a Special Purpose Vehicle (SPV) on October 18, 2005 to develop and maintain the 102 kms stretch on National Highway 7 connecting Adloor Yellareddy and Gundla Pochanpalli in the then state of Andhra Pradesh (currently State of Telangana). The concession was awarded by National Highways Authority of India (NHA) on Build, Operate and Transfer (BOT) Annuity Basis to the consortium based on its lowest annuity quote of ₹108.36 Crore (payable semi-annually). GPEL has entered into a Concession Agreement (CA) with NHAI on March 31, 2006 for the project. The project achieved Commercial Operations Date (COD) on March 26, 2009. GPEL received its first annuity from NHAI in September 2009.

Your Company has entered into 15<sup>th</sup> year of commercial operations. The riding quality is appreciable and within limit specified under the Concession Agreement. Greenery is well maintained across the project. Two improvement works i.e. Construction of ROB and Construction of Vehicular underpass has been taken up by the Company under Change of Scope as required by NHAI. Vehicular underpass has been completed and ROB work is in progress. This will enhance the safety of road users.

Continuous efforts are being put in to enhance the safety of road users by involving various stake holders. The Company has achieved 100 % Lane Availability and the operations of the Company were satisfactory. Also, various Corporate Social Responsibility activities have been organized in association with GMRVF to benefit the people.

#### **CHANGE IN THE NATURE OF BUSINESS, IF ANY**

During the year under review, there was no change in the nature of business of the Company.

#### **DIVIDEND**

To augment the resources for the Company's business and as a matter of prudence, the Board of Directors have not recommended any dividend for the Financial Year 2022-23.

#### TRANSFER TO RESERVES

Amount, if any, which Company proposes to carry to any Reserves: NIL

#### HOLDING COMPANY SUBSIDIARIES/ JOINT VENTURES/ ASSOCIATE COMPANIES

During the year under review, GMR Power and Urban Infra Limited along with GMR Highways Limited, GMR Energy Limited and other nominees, remains the holding company by virtue of its effective holding of 99.84% of capital of the Company.

Your Company does not have any Subsidiary, Joint Ventures or Associate Companies of its own, hence, the statement containing salient features of the financial statement of Subsidiaries/ Associate Companies/ Joint Ventures, as required to be provided in Form–AOC 1, is not applicable.

Since your Company does not have Subsidiary, Joint Venture or Associate Company, this section is not applicable.

#### **SHARE CAPITAL**

#### **Authorized Share Capital**

The Authorized Share Capital of the Company is ₹ 184,00,00,000 (Indian Rupees One Hundred Eighty Four Crore Only) divided into 13,81,00,000 (Thirteen Crore Eighty One Lakh) Equity Shares of ₹ 10/- (Indian Rupees Ten Only) each and 45,90,000 (Forty Five Lakh Ninety Thousand) Non-cumulative Convertible Preference Shares of ₹ 100/- (Indian Rupees Hundred Only) each.

During the year under review, there was no change in the Authorized, Issued and Paid up Share Capital of the Company

#### Issued, Subscribed and Paid Up Share Capital

The Issued, Subscribed and Paid-up capital of the Company ₹ 182,50,00,000 (Indian Rupees One Hundred Eighty Two crore and Fifty Lakhs only) divided into 13,80,00,000 (Thirteen Crore Eighty Lakhs) Equity Shares of ₹ 10/- (Indian Rupees Ten Only) each and 44,50,000 (Forty Four Lakh Fifty Thousand) Non-cumulative Convertible Preference Shares of ₹ 100/- (Indian Rupees Hundred Only) each.

During the year under review, the Company has not issued any shares with differential voting rights nor has granted any stock option or sweat equity. As on March 31, 2023, none of the Directors of the Company hold any instrument convertible into Equity Shares of the Company. Accordingly, there has been no change in the Paid-up Equity Share Capital of the Company during the year under review.

Composite Scheme of amalgamation and arrangement for amalgamation of GMR Power Infra Limited ('GPIL') with the GMR Infrastructure Limited ('GIL') and demerger of Engineering Procurement and Construction ('EPC') business and Urban Infrastructure Business of GIL (including Energy business) into GMR Power and Urban Infra Limited ('GPUIL') ("The Scheme") was approved by the Hon'ble National Company Law Tribunal, Mumbai Bench ("the Tribunal") vide its order dated December 22, 2021 (CTC of the order received on December 24, 2021). The said Tribunal order was filed with the Registrar of Companies by GIL, GPIL and GPUIL on December 31, 2021 thereby making the Scheme effective. After the scheme becoming effective, GPUIL becomes the Holding Company. Accordingly, shares held by GIL has been transferred to GPUIL.

#### **DEBENTURES LISTING WITH STOCK EXCHANGE**

The Company had issued 6,500 (Six Thousand Five Thousand only) Rated, taxable, Listed, Redeemable, Non-Convertible Debentures (NCDs) of ₹ 10,00,000 (Rupees Ten Lakhs Only) each, aggregating to ₹ 650,00,00,000/- (Indian Rupees Six Hundred Fifty Crore Only) on a Private Placement basis on July 27, 2010. Out of the total 6,500 NCDs, the Company has already redeemed 4,784 NCDs so far and the number of outstanding NCDs as on date are 1,716.

#### **ESTABLISHMENT OF VIGIL MECHANISM**

In terms of Section 177(9) of the Companies Act, 2013 read with Companies (Meeting of Board and its Powers) Rules, 2014, your Company has formulated and established a vigil mechanism for its directors and employees to report genuine concerns. Company's vigil mechanism is in the form of a 'Whistle Blower Policy'.

The Company believes in conducting the affairs of its constituents in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behaviour.

This policy provides a platform to the directors and employees of the Company to report concerns about unethical behaviour, actual or suspected fraud or violation of the Company's code of conduct or ethics policy. It also provides the mechanism for stakeholders, including individual employees and their representative bodies, to freely communicate their concerns about illegal or unethical practices.

Company's vigil mechanism provides adequate safeguard against the victimization of employees and directors who wish to avail the vigil mechanism to deal with the instance of fraud, mismanagement, unethical behaviour, if any. It is ensured that no unfair treatment is meted out to a Whistle Blower by virtue of his/her having reported a Protected Disclosure under this Policy.

<sup>\*\*</sup>Mr. Kodukula Ayyanna Somayajulu completed his tenure of 5 years on September 07, 2022 as Independent Director

### PARTICULARS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS & OUTGO

The details of Conservation of Energy, Technology absorption and Foreign Exchange earnings or outgo are given in **Annexure II**.

#### **AUDITORS AND AUDITORS' REPORT**

#### **Statutory Auditors**

M/s. Chaturvedi & Shah LLP, Chartered Accountants, (ICAI Firm Registration No. 101720W), were appointed as Statutory Auditors at the Annual General Meeting of the company held on 27<sup>th</sup> August, 2018 for a period of 5 years commencing from F.Y. 2018-19 up to FY 2022-23.

The Board of Director based upon the recommendation of Audit Committee in their meeting held on July 24, 2023 and subject to approval of shareholder in ensuing Annual General Meeting had re-appointed M/s. Chaturvedi & Shah LLP, Chartered Accountants, (Regn. No. 101720W) for a further period of 5 years commencing from conclusion of ensuing AGM till conclusion of 23rd AGM.

#### **Qualification / Reservation/ Adverse Remark or Disclaimer in the Auditors' Report**

The Auditors Report does not contain any Qualification/Reservation/Adverse Remark, however certain matters were emphasized by the Statutory Auditors in their report which along with Management Response are given below:

#### Emphasis of Matter

a. We draw attention to Note No. 32 to the accompanying standalone financial statements, with regard to non-giving effect to the order of the Honorable High Court of Delhi dated April 06, 2022 by upholding Company's contentions, with regard to applicability of overlay work only on increase in roughness index of roads, pending finality. We are informed that the National Highways Authority of India (NHAI) challenged the order in the appellate court, in view of the matter being sub-judice and pending finality and clarity the Company has not given financial effect to the impact of the order.

#### **Explanation given by the Management:**

#### Note No. 32:

The Company had received a penalty notice from National Highways Authority of India (NHAI) levying a penalty of ₹ 1,031.00 Lakhs for delay in completion of First Periodic Maintenance of the Project, which was subsequently enhanced by CAG to ₹ 2,344.00 Lakhs. NHAI had subsequently deducted ₹ 1,078.62 Lakhs as penalty and damages while releasing 18<sup>th</sup> Annuity in March 2018 and from 22<sup>nd</sup> Annuity an amount of ₹ 1,430.48 Lakhs with further deduction of an amount of ₹ 197.90 Lakhs from 25<sup>th</sup> Annuity towards non-fulfilment of O&M Obligations and non-curing of deficiencies in the time specified in Service Concession Agreement (CA) which is considered recoverable in the opinion of the management.

The Company had invoked Arbitration proceedings against NHAI in respect of the dispute on applicability of carrying out periodic maintenance (overlay work) of the road project once in every five years in the Concession Agreement. On January 14, 2020, the Hon'ble Tribunal had pronounced the award wherein it had not agreed with the contention of the Company that overlay is to be carried out as and when the roughness index exceeds 2000 mm/km and had held that the Company has to carry out overlay irrespective of the condition of the road. In view of the finding, the Tribunal had directed the Company to commence second overlay work with effect from April 01, 2020 and complete by December 31, 2020 and also complete the third overlay work by April 01, 2025. The NHAI had challenged the award before the Hon'ble High Court of Delhi with regard to extending the timeline to commence and complete the second overlay work and third overlay work stating that such concession is not in accordance with Concession Agreement.

The Arbitral Tribunal had further directed NHAI to refund the amount of ₹ 1,078.62 Lakhs which was wrongly deducted from the annuity along with interest @12% p.a. from the date of deduction. The Arbitral Tribunal had also directed NHAI to pay ₹ 30.00 Lakhs towards costs of litigation and the entire amount of fee paid to the Arbitrators by the Company on behalf of NHAI. NHAI had challenged the award with regard to directions for refund of amount before the Hon'ble High Court of Delhi.

Aggrieved by the findings of the Tribunal, to the limited issue of requirement of overlay upon every 5 years, the Company had filed an application under Section 34 of the Arbitration and Conciliation Act, 1996 before Hon'ble High Court of Delhi by challenging the award to the extent of wrong interpretation of clause 4.3.1 of schedule "I" to CA and rejection of claims for reimbursement of cost of overlay incurred by the company which under given circumstance was not required pending disposal of appeal.

The Hon'ble Delhi High Court vide its order dated April 06, 2022 had upheld the Company's contentions and held that the overlay is to be carried out as and when the roughness index

exceeds 2000 mm/km and rejected the arbitration order which had held that the Company has to carry out overlay irrespective of the condition of the road every five years. It has further upheld the Company's claim in respect of the cost incurred on the first major maintenance and directed that the quantification of the claim to be done by the arbitrator appointed by it. The awards of tribunal on other matters favourable to the Company was further upheld by the High Court.

NHAI has filed an appeal under section 37(1)(c) of the Arbitration and Conciliation Act, 1996 against the order of Single Judge of Hon'ble Delhi High Court before the Division bench of Hon'ble Delhi High Court and Court has directed on July 11, 2022 to maintain status quo of arbitration proceeding i.e. no stay on judgement and the matter has not yet attained finality. The implication of the favourable order to the Company would have affected the carrying value of Service Concession Receivables by reduction of outflows on overlay cost which would have resulted in significant modification gain to the Company on reversal of those provisions. In view of NHAI's petition before the division bench of Hon'ble Delhi High Court against the order of single judge of Hon'ble Delhi High Court, the matter being sub-judice and pending finality and clarity, the Company has not affected the impact of the order in the financial asset pertaining to the service concession agreement and has carried the provision for overlay cost in the books considering that there would be outflows with regard to the second and third major maintenance (overlay work) for arriving at the financial income and modification gains and has not reversed the provisions done for overlay works. The impact of the modification gain and reversal of provision for overlay cost if any, would be given effect on finality of NHAI's petition before the division bench of Hon'ble Delhi High Court.

#### **Secretarial Auditors**

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company had appointed M/s. VAPN & Associates, Company Secretaries in whole time practice, New Delhi to conduct the Secretarial Audit for the Financial Year 2022-23. The Secretarial Audit Report, in Form MR-3, for the Financial Year 2022-23, is annexed as **Annexure III**.

There are no qualifications, reservations or adverse remarks in the report of the Secretarial Auditors which require any clarification/explanation.

The Board of Directors, based on the recommendation of the Audit Committee, had appointed M/s. VAPN & Associates, Company Secretaries in whole time practice, New Delhi, to conduct the Secretarial Audit of the Company for the Financial Year 2023-24.

#### **Cost Auditors**

The Board of Directors, based on the recommendation of the Audit Committee, had appointed M/s G.R. & Co., Cost Accountant as the Cost Auditor for the financial year 2022-23 for auditing the cost records of the Company. M/s G.R. & Co. has submitted the Cost Audit Report for financial year 2022-23 which is annexed as **Annexure IV**. There are no qualifications, reservations or adverse remarks in the said Cost Audit Report.

The Board of Directors, based on the recommendation of the Audit Committee, had appointed M/s G.R. & Co. for the financial year 2022-23 for auditing the cost records of the Company maintained pursuant to Section 148(1) of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, as amended.

The item for obtaining requisite approval of the shareholders for the fees payable to the Cost Auditors for conducting the audit for the financial year 2023-24 has been included in the notice of Annual General Meeting.

#### PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186

The Company is engaged in the business of providing Infrastructural facilities and hence, it is exempted from the provisions of Section 186, except sub-section (1), of the Companies Act, 2013 under sub-section (11) of the said section w.r.t. loans made, guarantee given and security provided or any investment made by it.

#### PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The Company presents a detailed landscape of all related party transactions (RPT) before the Audit Committee, specifying the nature, value, and terms and conditions of the transactions. All the transactions with related parties were reviewed and approved by the Audit Committee. Transactions with related parties are conducted in a transparent manner keeping the interest of the Company and Stakeholders at utmost priority. The Company has framed a Policy on Related Party Transaction for the purpose of identification and monitoring of such transactions.

During the year under review, transactions with the related parties were carried out in accordance with the Related Party Transaction Policy of the Company and applicable provisions of the Companies Act, 2013. The particulars required to be disclosed pursuant to Rule 8(2) of the Companies (Accounts) Rules, 2014, in prescribed Form AOC- 2, is enclosed herewith as **Annexure-V**.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the Financial Year of the company to which the financial statements relate and the date of the report.

#### **DIRECTORS RESPONSIBILITY STATEMENT**

Pursuant to Section 134(3)(c) read with Section 134(5) of the Companies Act, 2013, the Directors, based on their knowledge and belief and according to the information and explanation/certifications obtained from the management, confirm in respect of the audited financial statements for the year ended March 31, 2023 that:

- in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;

- (c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

# STATEMENT INDICATING DEVELOPMENT AND IMPLEMENTATION OF RISK MANAGEMENT POLICY FOR THE COMPANY INCLUDING IDENTIFICATION OF ELEMENTS OF RISK, IF ANY, WHICH IN THE OPINION OF THE BOARD MAY THREATEN THE EXISTENCE OF THE COMPANY.

The Company has a detailed Risk Management Policy duly approved by the Audit Committee and Board. The risk analysis is carried out with the help of Enterprises Risk Management team of the Group in line with the Risk Management Policy of the Company. The Company's Risk Management framework is in line with the current best practices and effectively addresses the emerging challenges in a dynamic business environment which incorporate therein the specific elements of risk associated with the business of the Company. In today's challenging and competitive environment strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative.

As a matter of Policy, risks are assessed and steps as appropriate are taken to mitigate the same.

#### **GMR Pochanpalli Expressways Limited**

#### <u>Particulars of Conservation of Energy, Technology Absorption and Foreign Exchange</u> <u>Earnings & Outgo</u>

#### (A) Conservation of Energy:

#### (i) The steps taken or impact on conservation of energy:

The Company has implemented various power conservation measures at project site and ensures that these measures function effectively and continuously. These measures include installation of Automatic power factor controller, Timers and Servo Stabilizers.

Additional charges were levied by the electricity board when the power factor falls below 0.90. The Automatic power factor controller helps to maintain the power factor at 0.95 and above. Further, there were power fluctuations at many of the connections and were causing damages to the lighting fixtures and equipment. The servo stabilizers were installed to stabilize the power and save the loss due to damage of fixtures and equipment. Due to the automatic timers, the glowing duration of the highway lights are being optimized.

#### (ii) The steps taken by the Company for utilising alternate sources of energy:

For Utilizing alternate sources of energy - solar lights have been installed at various locations on the Expressway. Solar LED lights were installed at selected locations in the project such as, truck lay byes and at junctions. The solar lights fixed with timers are functioning effectively and considerably, adding to the power conservation and savings.

#### (iii) Installation of LED lights:

The Company has replaced all existing conventional highway lights (Sodium Vapor Lamps) by using LED retrofit lights. Retrofitting without investment helps in saving energy at a very nominal price as compared to complete replacement of HPSV unit with new LED unit, at the same time is Environmental friendly.

#### (iii) The Capital Investment on energy conservation Equipments - NIL

#### (B) Technology Absorption:

- (i) GSM Sim based Connectivity: Company has proposed to adopt wireless connectivity for the HTMS ECBs (Highway Traffic Management System Emergency Call boxes). Previously these were connected through optical fiber. However due to repeat fiber cuts due to works by various Government departments, the functionality of these equipment was affected. Hence, GSM based sim-card technology connectivity is implemented.
- (ii) **KentCam**: Kentcam is a monitoring system with camera. This is fixed in Route Patrolling vehicle and the highway can be remotely accessed and monitored through mobile apart from the Route Patrol team.
- (iii) the benefits derived like product improvement, cost reduction, product development or import substitution:

- (iv) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year):
  - (a) the details of technology imported: Nil
  - (b) the year of import: Nil
  - (c) whether the technology been fully absorbed: Nil
  - (d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof: Nil
- (iv) the expenditure incurred on Research and Development: Nil

#### (C) Foreign exchange earnings and Outgo:

The Foreign Exchange earned in terms of actual inflows during the year and the Foreign Exchange outgo during the year in terms of actual outflows - NIL

## FORM NO. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
GMR Pochanpalli Expressways Limited

CIN: U45200KA2005PLC049327 25/1, SKIP House, Museum Road, Bangalore, Karnataka -560025, India

We have conducted the Secretarial Audit pursuant to Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, on the compliance of applicable statutory provisions and the adherence to good corporate practices by **GMR Pochanpalli Expressways Limited** (hereinafter called "the **Company**") during the financial year from 1<sup>st</sup> April, 2022 to 31<sup>st</sup> March, 2023 ('the year'/ 'audit period'/ 'period under review').

We conducted the Secretarial Audit in a manner that provided us a reasonable basis for evaluating the Company's corporate conducts / statutory compliances and expressing our opinion thereon.

We are issuing this report based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has during the audit period covering the Financial Year ended on 31<sup>st</sup> March, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

**We report that,** we have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31<sup>st</sup> March, 2023 according to the provisions of (as amended):

- (i) The Companies Act, 2013 ('the Act') and the Rules made there under read with notifications, exemptions and clarifications thereto;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and bye-laws framed there under;

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment, External Commercial Borrowings - [Not Applicable to the Company during the period under review];
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') as amended: -
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011– [Not Applicable to the Company during the period under review];
  - (b) The Securities and Exchange Board of India (Prohibitions of Insider Trading) Regulations, 2015– [Not Applicable to the Company during the period under review];
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018– [Not Applicable to the Company during the period under review];
  - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021– [Not Applicable to the Company during the period under review];
  - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client– [Not Applicable to the Company during the period under review];
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009– [Not Applicable to the Company during the period under review];
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018– [Not Applicable to the Company during the period under review];
  - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015– [Applicable to the extent of listing of debt securities with NSE Limited during the period under review];
- (vi) Other Applicable Acts:
  - (a) Maternity Benefits Act, 1961;
  - (b) Payment of Wages Act, 1936, and rules made thereunder;
  - (c) The Minimum Wages Act, 1948, and rules made thereunder;
  - (d) Employees' State Insurance Act, 1948, and rules made thereunder;
  - (e) The Employees' Provident Fund and Miscellaneous Provisions Act, 1952, and rules made thereunder:
  - (f) The Payment of Bonus Act, 1965, and rules made thereunder;
  - (g) Payment of Gratuity Act, 1972, and rules made thereunder;
  - (h) The Contract Labour (Regulation & Abolition) Act, 1970; and

We have also examined compliance with the applicable clauses of the following: -

(i) The Secretarial Standards with regards to meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India and;

(ii) The Listing Agreement entered by the Company with NSE Limited- (Applicable to the extent of listing of debt securities with NSE Limited during the Audit Period under review).

During the period under review, the Company has complied with the provisions of the applicable Acts, Rules, Regulations, Guidelines, Secretarial Standards etc. as mentioned above.

We further report that:

1. The Board of Directors of the Company is duly constituted with required numbers of Executive Directors, Non-Executive Directors, and Independent Directors.

2. Adequate notice is given to all directors to schedule the meetings of the Board. Except where consent of the directors was received for scheduling meeting at a shorter notice,

agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All decisions at Board Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors.

4. We further report that based on review of compliance mechanism established by the Company, we are of the opinion that the management has adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

5. We further report that during the review period, no major action having a bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. above have taken place.

GPEL-Directors' Report – 2022-23

### Corporate Social Responsibility (CSR) Policy of GMR Pochanpalli Expressways Limited (GPEL)

#### **PREAMBLE**

The Ministry of Corporate Affairs has enacted the Companies Act, 2013 replacing the old law, the Companies Act, 1956, regulating the Companies in India.

As per Section 135 of the Companies Act, 2013 (Act) read with the Companies (Corporate Social Responsibility) Rules, 2014 (CSR Rules), every Company having net worth of Rs. 500 Crore or more or turnover of Rs. 1,000 Crore or more or a Net Profit of Rs. 5 Crore or more during the immediately preceding Financial Year shall constitute a Corporate Social Responsibility Committee of the Board and shall continue to have such Committee till the time company requires to have such Committee under Section 135 of the Act read with CSR Rules or as may be decided by the Board.

The Section also requires to formulate a CSR Policy, which shall indicate the activities to be undertaken by the Companies as specified in Schedule VII of the Companies Act, 2013.

Further, the section also requires that the Board of Directors shall ensure that the company spends, in every financial year, at least 2% of the average net profits of the Company made during the three immediately preceding financial years, in pursuance of its Corporate Social Responsibility Policy.

The Company has been working with the communities neighboring Pochanpalli Expressways Region. The key thrust areas are (i) Education; (ii) Health, Hygiene & Sanitation; (iii) Empowerment, Livelihoods and Community Development. Implementation of various activities under these three verticals is being carried out directly by the Company or with the professional support of M/s GMR Varalakshmi Foundation (Implementing Agency) from planning to execution.

In the above background and as mandated by provisions of the Companies Act, 2013, the following is the CSR Policy of the Company.

#### Corporate Social Responsibility (CSR) Policy

The Company forming part of GMR Group has adopted the CSR Policy of GMR Group. GMR Group (the Group) recognizes that its business activities have wide impact on the societies in which it operates and therefore an effective practice is required giving due consideration to the interests of its stakeholders including shareholders, customers, employees, suppliers, business partners, local communities and other organizations.

The Company is driven by Group's vision to make a difference, specifically to society by contributing to the economic development of the country and improving the quality of life of the local communities. Towards this vision, the Group including the Company, through GMR Varalakshmi Foundation (GMRVF), partners with the communities around the businesses to drive various initiatives in the areas of (i) Education, (ii) Health, Hygiene and Sanitation, (iii) Empowerment, Livelihood and Community Development.

### Guiding Principles for selection & Implementation of projects / programs under CSR Policy:

The Company will carry out its CSR activities on its own or contribute funds to GMRVF or any other eligible implementing agency, to carry on activities / multiyear projects or programs as indicated below. While the geographic focus of the CSR activities can be in and around the business operational area, the company can support activities in any part of India, as per the Annual Action Plan, approved by the CSR Committee and the Board.

#### i) Education:

- Support for promotion of education of all kinds (school education, technical, higher, vocational and adult education), to all ages and in various forms, with a focus on vulnerable and under-privileged;
- Education for girl child and the underprivileged by providing appropriate infrastructure and groom them as future citizens and contributing members of society;

#### ii) Health, Hygiene and Sanitation:

- Ambulance services, mobile medical units, health awareness programs and camps, medical check-ups, HIV/AIDS awareness initiatives, health care facilities and services, sanitation facilities;
- Eradicating hunger, poverty and malnutrition, promotion of health care including preventive health care and sanitation including contribution to the Swach Bharat Kosh set-up by the Central Government for the promotion of sanitation, and making available safe drinking water;
- Reducing child mortality and improving maternal health;

#### iii) Empowerment & Livelihoods and Community Development:

- Employment enhancing vocational skills training, marketing support and other initiatives for youth, women, elderly, rural population and the differently abled, and livelihood enhancement projects;
- promoting gender equality, empowering women, working for senior citizens and measures for reducing inequalities faced by socially and economically backward groups;
- Assist in skill development by providing direction and technical expertise for empowerment;
- Encouraging youth and children to form clubs and participate in community development activities such as like cleanliness drives, plantation drives, etc.;

#### iv) Environmental sustainability:

 ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water including contribution to the Clean Ganga Fund set-up by the Central Government for rejuvenation of river Ganga;

#### v) Heritage and Culture:

 protection of national heritage, art and culture including restoration of buildings and sites of historical importance and works of art; setting up public libraries; promotion and development of traditional arts and handicrafts;

#### vi) Benefit to Armed Forces:

 measures for the benefit of armed forces veterans, war widows and their dependents, Central Armed Police Forces (CAPF) and Central Para Military Forces (CPMF) veterans, and their dependents including widows;

#### vii) Sports:

 training to promote rural sports, nationally recognized sports, Paralympic sports and Olympic sports;

#### viii) Contribution to Funds set up by Government:

 Contribution to the Prime Minister's National Relief Fund or Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) or any other fund set up by the Central Government for socio-economic development and relief, and funds for the welfare of the Scheduled Castes, Scheduled Tribes, other backward classes, minorities and women;

#### ix) Contribution towards Science and Technology:

- Contribution to incubators or research and development projects in the field of science, technology, engineering and medicine, funded by the Central Government or State Government or Public Sector Undertaking or any agency of the Central Government or State Government;
- Contributions to public funded Universities; Indian Institute of Technology (IITs);
  National Laboratories and Autonomous Bodies established under Department of
  Atomic Energy (DAE); Department of Biotechnology (DBT); Department of
  Science and Technology (DST); Department of Pharmaceuticals; Ministry of
  Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy (AYUSH);
  Ministry of Electronics and Information Technology and other bodies, namely
  Defense Research and Development Organization (DRDO); Indian Council of
  Agricultural Research (ICAR); Indian Council of Medical Research (ICMR) and
  Council of Scientific and Industrial Research (CSIR), engaged in
  conducting research in science, technology, engineering and medicine aimed at
  promoting Sustainable Development Goals (SDGs).;

#### x) Rural Development:

rural development projects;

#### xi) Slum Area Development:

Explanation: 'Slum Area' shall mean any area declared as such by the Central Government or any State Government or any other competent authority under any law for the time being in force.

#### xii) **Disaster management:**

 Disaster Management, including relief, rehabilitation and reconstruction activities.

xiii) such other activities included in Schedule VII of the Companies Act, 2013 as may be identified by CSR Committee/Board from time to time, which are not expressly prohibited.

It may be noted that the above activities are indicative and are activities that the company may at any point of time engages but all such activities may not be taken up by the Company during the year. While the activities undertaken in pursuance of the CSR policy must be relatable to Schedule VII of the Companies Act 2013, the entries in the said Schedule VII must be interpreted liberally so as to capture the essence of the subjects enumerated in the said Schedule. The items enlisted in the amended Schedule VII of the Act, are broad-based and are intended to cover a wide range of activities.

## The expenditure incurred for the following activities shall not be treated as CSR activity by the Company:

- (i) Activities undertaken in pursuance of the normal course of business;
- (ii)activities undertaken outside India (except for training of Indian sports personnel representing any state or union territory at national level or India at international level);
- (iii) activities that benefit exclusively the employees of the company;
- (iv) Contribution to political parties;
- (v) Activities supported by the companies on sponsorship basis for deriving marketing benefits for its products or services;
- (vi) Expenses incurred by companies for the fulfillment of any Act/ Statute of regulations (such as Labour Laws, Land Acquisition Act, etc.)

#### **Surplus from CSR Activities:**

Any surplus arising out of the CSR activity shall:

- (i) not form part of business profits of the Company;
- (ii) should be ploughed back into the same project from which it has generated or shall be transferred to Unspent CSR Account of the Company, maintained separately for such surplus:
- (iii) Should be spent within 3 years from the date of such transfer to the Unspent CSR Account or transfer to a Fund specified in Schedule VII within a period of 6 months from the expiry of the financial year as decided by the CSR Committee and as per the Annual Action plan of the company;
- (iv) Should not form part of Excess amount available for set-off with CSR obligation in immediately succeeding financial years.

#### **Monitoring of CSR Activities**

At the beginning of each financial year, the Board/CSR Committee of the Board will prepare a list of CSR Projects/ Activities/Programs which the Company proposes to undertake during the financial year, specifying the modalities of execution in the areas/sectors chosen with implementation schedules for approval of the Board.

The Board/CSR Committee of the Board will devise a mechanism for various CSR Projects / Programs / Activities undertaken by the Company including conduct of impact studies of CSR Projects / Programs on a periodic basis, through independent third party agencies according to the CSR Rules.

The Board/CSR Committee will convene a meeting at least once every year to approve and review the progress of CSR projects, if applicable and monitor, review and evaluate the operations of the CSR Programs at such frequency as it may deem fit to ensure orderly and efficient implementation of the CSR Programs in accordance with the CSR Policy. The

composition of CSR committee, the CSR Policy and Projects approved by the Board will be uploaded on the Company's website so that it is available in the public domain.

The Company's approach to the above CSR activities or projects may also be based on partnership with the Government or like-minded not for profit organizations, agencies, etc.

The Company may carry out an impact assessment to know the results of its CSR activities being undertaken by the Company and review periodically to identify and assess the gaps, if any, in the approach and attend to mid-course corrections.

#### **Annual Action Plan:**

The CSR activities can be undertaken either specific for a one year or can undertake period to multi-year projects. The Board/ CSR Committee of the Board, if any, every year will approve/recommend an Annual Action Plan respectively. This Annual Action plan with detail the following:

- (a) The list of CSR projects or programs that are approved to be undertaken in areas or subjects specified in Schedule VII of the Act;
- (b) The manner of execution of such projects or programs;
- (c) The modalities of utilization of funds and implementation schedules for the projects or programs;
- (d) Monitoring and reporting mechanism for the projects or programs;
- (e) Details of need and impact assessment, if any, for the projects undertaken by the company: Provided that Board may alter such plan at any time during the financial year, as per the recommendation of its CSR Committee, based on the reasonable justification to that effect.

#### AMENDMENT:

Any amendment or modification in the Companies Act, 2013 and any other applicable regulations relating to the CSR Policy shall automatically be applicable to the Company.

#### **BACKGROUND OF GMRVF**

#### **About GMR Varalakshmi Foundation:**

GMR Varalakshmi Foundation (GMRVF) is the Corporate Social Responsibility arm of the GMR Group. Its mandate is to develop social infrastructure and enhance the quality of lives of communities, especially those around the locations where the Group has a presence. Its Vision is to make sustainable impact on the human development of underserved communities through initiatives in education, health and livelihoods.

GMRVF is a Section 8 (not-for-profit) company registered under Section 12A and 80G of the Income Tax Act, 1961 and with requisite track record as required under the Companies Act, 2013, read with the applicable Rules. It is governed by a Board chaired by the Group Chairman, GMR Group. It has its own professional staff drawn from top educational and social work institutions. GMRVF has been in existence for nearly two decades.

GMRVF is organized in three wings: The Education Wing sets up and runs quality educational institutions, from pre-school to post-graduate level, towards making quality education accessible to all sections of the community, especially in under-served areas; the Health Wing sets up and runs healthcare establishments to provide quality healthcare in under-served areas; the Community Services Wing works with underprivileged communities to enhance their lives and livelihoods. The Community Services Wing has staff of qualified and experienced social work professionals.

# INDEPENDENT AUDITOR'S REPORT

# TO THE MEMBERS OF GMR POCHANPALLI EXPRESSWAYS LIMITED

# Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of **GMR POCHANPALLI EXPRESSWAYS LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the standalone financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### **Emphasis of Matters**

We draw attention to Note no. 32 to the accompanying standalone financial statements with regard to non-giving effect to the order of the Honourable High Court of Delhi dated April 06, 2022 by upholding Company's contentions, with regard to applicability of overlay work only on increase in roughness index of roads, pending finality. We are informed that the National Highways Authority of India (NHAI) has already challenged the order in the appellate Court, in view of the matter being sub-judice and pending finality and clarity, the Company has not given financial effect to the impact of the order.

Our opinion is not modified in respect of above matter.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

# Provision for periodic major maintenance

Provision for periodic major maintenance of project roads requires technical evaluations and critical accounting estimates and judgments.

We have obtained an assurance over the appropriateness of management's assumptions and methods applied in the calculating the provision for periodic major maintenance by carrying out the following procedures, amongst others:

- Obtained the management's calculation of the provision for periodic major maintenance of project roads which is made in accordance with technical evaluation and the Company's policy and checked the assumptions made by the management and discussed with its technical team.
- We have perused agreement entered between the parties concerned for major maintenance.
- We have also considered the appropriateness of the provision based on the Company's historical experience by evaluating the managements' assumptions against provision for periodic major maintenance of project roads with reference to historical track record.
- We have discussed with those in charged with governance and perused the legal opinion on the implications of the Order of Hon'ble High Court of Delhi on the carrying amount of provision in the books and requirements of reversals if any.
- Performed discussion with those charged with governance with regard to the significant management judgement that has been considered in assessing appropriateness and adequacy of the provision made in books in this regard.
- Ensured appropriateness of the disclosures in the standalone financial statements in accordance with the relevant requirements of Ind As.

# Information other than the standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in Board's Report including Annexures to Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The report containing other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read the report containing other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

# Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management of the Company is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management of the Company either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so...

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for
  expressing our opinion on whether the Company has adequate internal financial controls with reference
  to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including
  the disclosures, and whether the standalone financial statements represent the underlying transactions
  and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143 (3) of the Act, based on our audit we report that:
  - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account;
  - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended;
  - e) The matters described in the Emphasis of Matters, in our opinion, may not have an adverse effect on the functioning of the Company;
  - f) On the basis of the written representations received from the directors as on March 31, 2023 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
  - g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B';
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors and manager during the year is in accordance with the provisions of section 197 of the Act.;

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations on its financial position to the extent quantifiable in its standalone financial statements - Refer Note No. 31 and 32 to the standalone financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses. Refer Note No. 35 to the standalone financial statements;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. a) Management has represented to us that, to the best of it's knowledge and belief, (other than as disclosed in the notes to the accounts) no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b) Management has represented to us that, to the best of it's knowledge and belief, (other than as disclosed in the notes to the accounts) no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - c) Based on our audit procedures conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation given by the management as mentioned above under paragraph (2)(i)(iv) (a) & (b) contain any material misstatement.

# ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

In terms of the Annexure referred to in our report to the members of **GMR POCHANPALLI EXPRESSWAYS LIMITED** ('the Company') on the standalone financial statements for the year ended March 31, 2023, we report that:

- i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment (PPE).
  - (B) The Company has maintained proper records showing full particulars of intangible assets.
  - b) The Company has a regular program of physical verification of its Property Plant and Equipment (PPE) by which PPE are verified every three years, in accordance with this program, the PPE were verified during FY 2020-21 and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not own any freehold immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) and the Company does not have any lease/sublease deed on leasehold land registered in the name of the company.
  - d) According to information and explanations given to us and books of accounts and records examined by us, Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year
  - e) According to information, explanations and representation given to us by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, in our opinion, physical verification of the inventories have been conducted at reasonable intervals by the management having regard to the size and nature of business of the Company and nature of its inventory, the coverage and procedures of such verification by the management is appropriate. As explained to us and on the basis of the records examined by us, the value of the discrepancies noticed on physical verification by management did not exceed 10% or more in aggregate of each class of inventory.
  - b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under Paragraph 3 (ii) (b) of the Order is not applicable.
- As per the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has granted interest bearing unsecured loans to bodies corporate. During the year the Company has not made investments in, provided any guarantee or security to companies, firms, limited liability partnerships or any other parties other than unsecured loan to bodies corporate as mentioned above.

- a) As per the information and explanation given to us and on the basis of our examination of the records of the Company, we state that the:
  - A) Details of loan granted to subsidiaries, joint ventures and associates:

Nature of parties	Aggregate amount of loans granted during the year	Balance outstanding as at balance sheet date in respect of loans granted
Associates/Fellow subsidiaries	Rs. Nil	Rs.2,953.53 Lakhs

As represented to us, the Company has not provided guarantees or security to subsidiaries, joint ventures, and associates

B) Details of loan granted to parties other than subsidiaries, joint ventures and associates:

Nature of parties	Aggregate amount of loans granted during the year	Balance outstanding as at balance sheet date in respect of loans granted
Promoters	Rs. 150 Lakhs	Rs.23,960.48 Lakhs

As represented to us, the Company has not provided guarantees or security to parties other than subsidiaries, joint ventures, and associates

- b) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the terms and conditions on which the loans had been granted were not, prima facie, prejudicial to the company's interest. The Company, during the year has not made any investments and provided guarantees or security to parties.
- c) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, in respect of loans granted, the schedule of repayment of principal and payment of interest has been stipulated in the original/renewal agreements. In respect of repayment of the principal, in case of five parties, the principal amount when it is due for payment has been not been paid and has been renewed/extended/fresh loans granted to the same parties aggregating to Rs.26,914.01 Lakhs and interest accrued thereon of Rs. 10,119.39 Lakhs as on March 31, 2023 is pending recovery.
- d) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, there were no overdue amounts remaining outstanding at the year end for more than ninety days.
- e) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the loans granted to bodies corporate has been renewed/extended/fresh loan granted to the same parties aggregating to Rs.26,914.01 Lakhs and the percentage of the aggregate to the loans granted during the year is 100.00% with interest accrued there on at the time of renewal was Rs. 9,689.80 Lakhs. The party-wise details are given below:

Name of the party	Aggnogata	
	Aggregate amount of existing loans renewed or extended or settled by fresh loans (Rs. in Lakhs)	Percentage of the aggregate to the total loans or advances in the nature of loans granted during the year
GMR Highways Limited	11,809.92	43.88%
GMR Power and Urban Infra Limited	12,150.56	45.15%
GMR SEZ & Port Holdings Limited	2,510.00	9.33%
GMR Ambala Chandigarh Expressways Private Limited	266.53	0.98%
Dhruvi Securities Private Limited	177.00	0.66%

- f) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment, hence requirement of paragraph 3 (iii) (f) is not applicable.
- In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Sections 185 of the Act in respect of grant of loans, providing guarantees and securities, as applicable. Further, the Company is an infrastructure Company and accordingly section 186 of the Act is not applicable.
- In our opinion and according to the information and explanation given to us, the Company has not accepted any deposits and amounts which are deemed to be deposits within the meaning of Section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). There are no orders from Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal. Accordingly, the provision of paragraph 3(v) of the Order is not applicable to the Company.
- we have broadly reviewed the books of account maintained by the company, pursuant to the Rules made by the Central Government of India, the maintenance of cost records as prescribed under subsection (1) of section 148 of the Act and we are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the Company has generally been regular in depositing the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including employee's state insurance, provident fund, income-tax, goods and service tax, cess and other material statutory dues as applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of provident fund, employees' state insurance, goods and service tax, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable. Refer Note no. 36 of the standalone financial statements for computation and payment of Minimum Alternate Tax (MAT) under Section 115JB of the Income Tax Act, 1961.

b) According to the information and explanation given to us and records of the Company, there are no dues of income tax, goods and service tax or cess or other material statutory dues which have not been deposited on account of any dispute except the following:

Nature of Statute	Nature of dues	Years to which it pertains	Amount under dispute	Forum where dispute is pending
Income tax Act, 1961	Disallowance of certain expenses and deductions, nongrant of deduction under section 80IA, section 80G and non-grant of set off of brought forward losses etc.	AY 2020-21	Rs.132.61 Lakhs	CIT (Appeals) Bangalore

- viii) In our opinion and according to the information, explanations and representation given to us by the management, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix) a) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of debentures to a financial institutions and banks. Further, the Company has not taken any loan from banks and financial institutions or other parties during the year.
  - b) In our opinion and according to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence requirement of paragraph 3(ix)(c) of the Order is not applicable to the Company.

- d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, and on the basis of our examination of the records of the Company, company has not raised any short term funds during the year hence requirement of paragraph 3(ix)(d) of the Order is not applicable to the Company.
- e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures hence requirement of paragraph 3(ix)(e) of the Order is not applicable to the Company.
- f) According to the information and explanations given to us and on the basis of our examination of the records of the company, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies hence requirement of paragraph 3(ix)(f) of the Order is not applicable to the Company.
- a) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not raised money by way of initial public offer or further public offer (including debt instruments) hence requirement of paragraph 3(x)(a) of the Order is not applicable to the Company.
  - b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- a) Based on the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.
  - b) According to the information and explanations given to us, no report under sub-section 12 of section 143 of the Act has been filed by auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
  - c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii)(a) to (c) of the Order is not applicable.
- xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

- xiv) a) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has adequate internal audit system commensurate with the size and nature of its business.
  - b) We have reviewed and considered the reports of the Internal Auditors for the period under audit.
- In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected to its directors as referred to in Section 192 of the Act.
- xvi) a) To the best of our knowledge and as explained, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
  - b) In our opinion, and according to the information and explanations provided to us and on the basis of our examination of the records of the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year as per the Reserve bank of India Act 1934.
  - c) In our opinion, and according to the information and explanations provided to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
  - d) As represented by the management of the Company, the Group has two Core Investment Company (CIC) as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016.
- xvii) In our opinion, and according to the information and explanations provided to us, Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year. Accordingly, paragraph 3(xvii) of the Order is not applicable.
- According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our review of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- a) In our opinion and as per the information and explanations received by us by the management of the Company, the Company does not have any unspent amount in respect of other than ongoing projects, which is required to be transferred to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.
  - b) In our opinion and as per the information and explanations received by us by the management of the Company, the Company does not have any unspent amount in respect of ongoing projects, which is required to be transferred to special account in compliance with the provision of subsection (6) of section 135 of the said Act. Accordingly, paragraph 3(xx)(b) of the Order is not applicable.
- In our opinion, Company is not required to prepare the consolidated financial statement under sub section 3 of section 129 of the Act. Therefore, provisions of Paragraph 3 (xxi) of the Order is not applicable to the Company.

# ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **GMR POCHANPALLI EXPRESSWAYS LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

# Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

# Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone financial statements.

# Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# 1 Company Overview and Significant Accounting Policies:

#### 1.1(Company Overview

(GMR Pochanpalli Expressways Limited (the Company) is engaged in development of highways on build, operate and transfer model on annuity (basis. This entity is a Special Purpose Vehicle which has entered into a Concession Agreement with National Highways Authority of India for carrying out the project of Design, Construction, Development, Improvement, Operation and Maintenance for rehabilitation and strengthening of existing 2-lane portion from km 367.000 (Adloor Yellareddy) to km 447.000 (Kalkallu), covering 80.745 kms, and Improvement, operation rand maintenance of kms 447.000 (Kalkallu) 464.000 (Gundla Pochanpalli) covering 17.00 kms on NH-7 in the state of Andhra Pradesb. را المراجعة الم r lanes under a concession on build, operate and transfee ( (৪০)) 'through with private sector participation thereof.

The Company is public limited company incorporated and domiciled in India and has its registered office at 25/1 1,5 in house, Museum Road, c Bangalore, Karnataka - 560025. The Comnaox has spinning a place of pusiness at Toopran, Andhra Pradesh.

(The Company's Holding Company is GMR Highways Limited while ultimate Holding Company is GMR Power & Urban Infra Limited /GMR

The standalone financial statements of the Company for the year ended March 31, 2023 were authorised for issue in accordance with a

### 1.2 Significant accounting policies

The significant accounting policies applied by the company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the « accrual basis except for certain financial instruments which are measured at fair values, the provisions of Companies Act, 2013 (the 'Act') (to the extent notified). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The standalone financial statements are presented in 'IndianRupees' (INR) which is also the Company's functional currency and all values are disclosed to the nearest Rupees in Lakhs with two decimals (INR 00,000.00), except when otherwise indicated.

### Summary of significant accounting policies

#### (a) Use of estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of IND AS requires the management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and the disclosure of contingent liabilities at the end of the reporting period and revenues and expenses during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or c liabilities in future periods.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

#### b) Current versus non-current classification

- Assets and Liabilities in the balance sheet have been classified as either current or non-current based upon the requirements of Schedule (III notified under the Companies Act, 2013.
- An asset has been classified as current if
- (a) it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- ( (b) it is held primarily for the purpose of being traded; or
- (c) it is expected to be realized within twelve months after the reporting date; or
- (d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets have been classified as non-current.
- A liability has been classified as current when
- (a) it is expected to be settled in the Company's normal operating cycle; or
- $_{\mbox{\scriptsize (}}$  (b) it is held primarily for the purpose of being traded; or
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. All other liabilities have been classified as non-current.
- The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

#### (c) Fair value measurement

- The Company measures financial instruments at fair value at each balance sheet date.
- Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or

transfer the liability takes place either:

- i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

(The principal or the most advantageous market must be accessible by the Company.

- (The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or  $\langle$  liability, assuming that market participants act in their economic best interest.
- FA fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.
- The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure  $\langle$  fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.
- All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value ( hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1- Quoted prices (unadjusted) in active markets for identical assets or liabilities

- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).
- For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.
- d) Revenue Recognition

#### Revenue from operations:

- Finance income for concession arrangements under financial asset and other recognized using the effective interest method. Revenues from operations and maintenance services and overlay services are recognized concession arrangements in each period as and when
- Effective from April 01, 2018, the Company has adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catchup transition method, applied to the contracts that were not completed as of April 01, 2018. In accordance with the cumulative catch up ransition method, the comparatives have not been retrospectively adjusted and continues to be reported as per Ind AS 18 "Revenue".
- Revenue is measured based on the consideration that is specified in a contract with a customer or is expected to be received in exchange for the products or services and excludes amounts collected on behalf of third parties. Revenue is recognized upon transfer of control of promised products or services to customers. To recognize revenues, the Company applies the following five step approach: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the ( transaction price to the performance obligations in the contract, and (5) recognize revenues when a performance obligation is satisfied.
- The revenue is recognised when (or as) the performance obligation is satisfied, which typically occurs when (or as) control over the products or services is transferred to a customer.
- Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract opines. The accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch-up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Contract assets are initially recognised as revenue earned on account of service concession arrangements where revenue is recognised over the period of time as receipt of consideration is conditional on successful completion of performance obligations such as periodic maintenance services under the service concession arrangements. Once the performance obligation is fulfilled, the contract assets are classified as receivable under service concession arrangements.

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

TA contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract. Amount received from customer as per the half yearly annuity stipulated under the service concession arrangements to recognise revenue once the periodic maintenance services is completed and performance obligations are achieved.

#### Finance income and other income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest income is included in other income in the statement of profit and loss.

On disposal of current investments, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss. Such income is included under the head "other income" in the statement of profit and loss.

Dividend income is accounted for in the year in which the right to receive the same is established by the reporting date.

#### e) Property, Plant & Ecuipment...

Property, Plant & Equipment are stated at acquisition cost less accumulated depreciation and cumulative impairment. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are < met.

#### Recognition:

- The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if:
- (a) it is probable that future economic benefits associated with the item will flow to the entity; and
- (b) the cost of the item can be measured reliably.

(When significant parts of plant and equipment are required to be replaced at intervals, Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and cequipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met. Refer significant accounting judgements, estimates and assumptions and provisions for further information about the recorded decommissioning provision.

Gains or losses arising from de-recognition of tangible assets are measured as the difference between the net disposable proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

Further, When each major inspection is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied.

Any remaining carrying amount of the cost of the previous inspection (as distinct from physical parts) is derecognised.

Machinery spares which are specific to a particular item of PPE and whose use is expected to be irregular are capitalized as fixed assets.

Spare parts are capitalized when they meet the definition of PPE, i.e., when the company intends to use these during more than a period

Depreciation on PPE is provided on straight line method, up to the cost of the asset (net of residual value), in accordance with the useful | lives prescribed under Schedule II to the Companies Act, 2013 which are as below:

( Plant and equipment

4-15 years

Coffice equipment

Furniture and fixtures

10 years

Vehicles

8-10 years

Computers

Compreciation on additions is being provided on a pro-rata basis from the date of such additions. Similarly, depreciation on assets 7 sold/disposed off during the year is being provided up to the dates on which such assets are sold/disposed off. Modification or extension to In existing asset, which is of capital nature and which becomes an integral part thereof is depreciated prospectively over the remaining cuseful life of that asset.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

#### f) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in an amalgamation in the nature of purchase is their fair value as at the date of amalgamation. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful clife are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation necode competendur as appropriate, and are treated as changes in... Haccounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

# $_{ m <\,g)}$ Financial Assets - Receivable towards the concession arrangement from the grantor

€ When the arrangement has a contractual right to receive cash or other financial asset from the #gaotoc.sopce@cally towards the concession carrangement (in the form of grants) during the construction period or otherwise, such a right, to the extent eligible, is recorded as financial  $\zeta$  asset in accordance with Ind AS 109 "Financial Instruments," at amortized cost.

- Tax expense comprises current and deferred tax.
- Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the income Tax Act, 1961.
- < Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. /The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are (subject to interpretation and establishes provisions where appropriate.
- © Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.
- © Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the cliability is settled after tax holiday period, based on tax rates (and tax laws) that have been enacted or substantively enacted at the
- Compared tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any carry forward c of unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.
- The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that
- sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.
- Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that
- $\varsigma$  future taxable profits will allow the deferred tax asset to be recovered.
- Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or
- / Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax  ${}^{\mathrm{f}}$  liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### (i) Borrowing costs

Borrowing Cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to eget ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in (the period they occur.

#### <i) Inventories

- Raw materials, components, stores and spares are valued at lower of cost and net realizable value on First In First Out basis.
- Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

#### (k) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the clease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the carrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

A lease is classified at the inception date as a finance lease or an operating lease.

#### The Company is the lessee

#### Right-of-use assets

Till year ended March 31, 2019, assets acquired on leases where a significant portion of risk and rewards of ownership are retained by the (lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on straight-line basis except where scheduled increase in rent compensate the lessor for expected inflationary costs.

For any new contracts entered into on or after April 2019, the Company considers whether a contract is, or contains a lease. A lease is for consideration.

The Company enters into leasing arrangements for office premises. The assessment of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/purchase etc.

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist. At lease commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for substance fixed payments. When the lease liability is re-measured to reflect any reassessment or modification, or if there are changes incompany has elected to account for short-term leases using the practical expedients. Instead of recognising a right-of-use asset and lease lease term.

#### The Company is the lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the classe. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance classes income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs on incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

Cach flows
Cach flows
Cach flows

There is no transitional effect on adoption of Ind AS 116 as at April 1, 2019.

#### ( I) Impairment

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating units' (CGUs) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre—tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In appropriate valuation model is used.

The company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the company's cash generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

- Impairment losses of continuing operations are recognized in the statement of profit and loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also ecogorized in the revaluation reserve ς up το της amount of any previous revaluation.
- After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.
- An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no
- c longer exist or may have decreased. If such indication exists, the company estimates the asset's or CGU's recoverable amount. A previously,
- recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the assets recoverable
  - amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its
- recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been
- recognized for the asset in prior years. Such reversal is recognized in the statement of profit and Loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

# ( m) Provisions, contingent liabilities, contingent assets and capital commitments

#### Contingent Liabilities

- A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or
- c non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized
- « because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in
- extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not
- recognize a contingent liability but discloses its existence in the financial statements. Contingent assets are only disclosed when it is
- probable that the economic benefits will flow to the entity.

#### Provisions

- Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that
- « an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the
- amount of the obligation. When the Company's expects some or all of a provision to be reimbursed, for example, under an insurance
- contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.
- Fig. 16 the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate,
- the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a

#### r n) Retirement and other Employee Benefits

- Short term employee benefits and defined contribution plans.
- ( All employee benefits payable/available within twelve months of rendering the service are classified as short-term employee benefits.
- From Benefits such as salaries, wages and bonus etc., are recognised in the statement of profit and loss in the period in which the employee erenders the related service.
- Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the
- τ contribution payable to the provident fund.
- The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related
- ( service. If the contribution payable to the scheme for service received before the reporting date exceeds the contribution already paid, the
- ¢ deficit payable to the scheme is recognized as a liability after deducting the contribution already paid, if the contribution already paid
- exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that
- $_{\rm c}$  the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

#### Compensated absences

- v accommuted leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has
- c accumulated at the reporting date.
- The company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for
- measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit
- redit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The
- company presents the leave as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its
- settlement for 12 months after the reporting date. Where company has the unconditional legal and contractual right to defer the settlement for a period beyond 12 months, the same is presented as non-current liability.

#### **∀Defined benefit plans**

#### 

- Grenitally is a defined benefit scheme. The cost of providing benefits under the scheme is determined on the basis of actuarial valuation under projected unit credit (PUC) method.
- . The company recognizes termination benefit as a liability and an expense when the company has a present obligation as a result of past event, it is probable that an outflow . of resources embodying economic benefits will be required to settle the obligation and a reliable
- estimate can be made of the amount of the obligation. If the termination benefits fall due more than 12 months after the balance sheet date, they are measured at present value of future cash flows using the discount rate determined by reference to market ' yields at the balance sheet date on government bonds.

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

#### Remeasurements

- Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are untireloss fined to profit or loss in subsequent periods.
- $\varsigma$  Past service costs are recognised in profit or loss on the earlier of:
- ( > The date of the plan amendment or curtailment, and
- $ilde{ imes}$  > The date that the Group recognises related restructuring costs
- Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

#### ( o) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another

#### i) Financial assets

# c Initial res Park on and measurement

Addition and essets are recognised initially at this value plus, in the case of Financial assets not recorded at fair value through profit or loss. tran saction does that are uthout while to the arquisition of the final datasset.

#### Subsequent measurement

For purposes of subsequent measurement, financial assets are only classified as Deat instruments at amortised cost.

### Debt instruments at amortised cost

- a) The asset is need within a hospitas model whose objective is to hold asset; for collecting opintractual cash flows, and
- as Controlling terms of the asset give one on specified dates to tash flows that are seely payments of principal and interest (SPPI) on the

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) mathed. Appropries cost is notately by taking with account any disposit or premium or acquisition and fees or costs that are an integral part of the FPC. The EIR amortisation is biolided in finance innoise in the profit or 1, ss. The losses ansing from impairment are recognised

A financial isset for where applicable, a part of a financial esset up part of a Company's at sum at financial essets) is originally derecognised

- The company has transfine, lid its rights to receive cash flows from the asset or has assumed an obligation to pay the received eash flows in full without material delay to a faind party under a 'pass through' arrangement; and either (a) the company has transferred substantingues all the risks and rewards of the asset on high recompany has nellened transferred non retained substantially all the risks and rewards of the

When the company has transferred its rights to receive cash flows from an asset or has entered into a passithrough arrangement, it evaluates if and to what extent it has returned the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the fransferred asset to the extent of the company's continuing involvement. In that case, the company also recognises on associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the ~~~~~

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

- For recognition of impairment loss on other financial assets and risk exposure, the company determines that whether there has been a
- < significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide
- < for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the
- ✓ instrument improves such that there is no longer a significant increase in credit risk since initial recognition.

CIN - U45200KA2005PLC049327

# 1 Company Overview and Significant Accounting Policies:

### p) Cash and cash equivalents

- Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and the short-term deposits with an original maturity of
- three months or less, which are subject to an insignificant risk of changes in value. Bank Overdrafts are shown with in borrowings under
- For the purpose of the statement of cashflows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### rq) Foreign currencies

- The financial statements are presented in INR, which is also the company's functional currency.
- In preparing the financial statements, transactions in the currencies other than the Company's functional currency are recorded at the rates of exchange prevailing on the date of transaction. At the end of each reporting period, monetary items denominated in the foreign currencies are re-translated at the rates prevailing at the end of the reporting period. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary  $\varsigma$  items measured in terms of historical cost in a foreign currency are not retranslated.
- r Exchange differences arising on the retranslation or settlement of other monetary items are included in the statement of profit and loss for

#### r) Earnings per share

- Basic Earnings Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### S) Corporate Social Responsibility Expenditure

The Company charges its Corporate Social Responsibility Expenditure during the year, to the Statement of Profit and Loss.

### (t) Non-current assets held for sale/ disposal

- The Company classifies non-current assets as held for sale/ disposal if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the
- Sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year
- The criteria for held for sale classification is regarded met only when the assets or disposal group is available for immediate sale in its
- resent condition, subject only to terms that are usual and customary for sales of such assets, its sale is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale of the asset to be highly probable when:
- arkappa a) The appropriate level of management is committed to a plan to sell the asset,
- (b) An active programme to locate a buyer and complete the plan has been initiated,
- c) The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- rd) The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- e) Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be
- Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the standalone balance sheet.

### 1.3 Key accounting judgements, estimates and assumptions

- reparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the
- reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.
- Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Uncertainty about
- these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities
- The estimate and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which are estimate is revised and future periods affected.
- Significant judgements and the estimates relating to the carrying values of assets and liabilities, provision for employee benefits and others provisions, commitments and contingencies and fair value measurements of investments.

### i) Critical Accounting Estimates and Assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The « Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

CIN - U45200KA2005PLC049327

### 1 Company Overview and Significant Accounting Policies:

#### (a) Income tax

Significant management judgement is required to determine the amount of deferred tax that can be recognised, based upon the likely c timing and the level of future taxable profits together with future tax planning strategies considering the tax holiday period available to infrastructure undertaking. Refer note no.20.04

# b) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. ( Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer note no.29 for further disclosures.

#### (c) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal and contractual claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events. [Refer note no.31]

#### d) Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An < actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables for India. Those mortality tables tend to change only at the interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates in India.

#### ( ii) Significant judgements:

### a) Provision for periodic maintenance (overlay activities)

As per the terms of concession agreement, the Company is required to carry out periodic major maintenance of project roads once in every five years which requires technical evaluation and critical assumptions, accounting estimates and judgements. The management has estimated the cost to be incurred on such periodic maintenance to recognise the provision as per the requirements of Ind AS 37. Further details are given in note no.16

#### b) Expected Credit Loss on Loans:

With respect to loans and deposits given to Group Companies, the Company has not considered any increase in credit risk, considering the assurances through support letters given by the Holding Company to pay the amount inspite of cases of delay in payments by the Group Companies. The expected credit losses have not been provided other than those provided for based on its modification losses in lieu of ECL. The Company has also assessed the credibility of the Group Companies and that of the Holding Company and is of the view that it does not expect any financial loss in respect of the said loans and deposits. Refer note no.5.

# $\sqrt{1.4}$ Introduction of new standards and amendments to existing standards

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

### (i. Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies and cinclude corresponding amendments to Ind AS 107 and Ind AS 34. The effective date for adoption of this amendment is anount pended beginning on or after Anril 1 \_ 2033 . The Company has evarilated the amendment and the impact of the amendment is insignificant in the financial statements.

# √ ii. Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.

#### iii. Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transaction the scope of the initial recognition exemption so that it does not apply to transaction the scope of the initial recognition exemption so that it does not apply to transaction the scope of the initial recognition exemption so that it does not apply to transaction the scope of the initial recognition exemption so that it does not apply to transaction the scope of the initial recognition exemption and the scope of the initial recognition exemption are the scope of the scope o wal and offsettion freenpears of interesces. Also there is corresponding amendment to Ind AS 101. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on Its financial statement.

### (a) Provision for periodic maintenance (overlay activities)

The Company has contractual obligation to maintain, replace or restore infrastructure, except for any enhancement element. Cost of such obligation is measured at the best estimate of the expenditure required to settle the obligation at the balance sheet date and recognized/smalled over the periods unto ( the beginning of the vectorisk thre useriay is estimated to be carried out. The provisions accordingly for the second periodic maintenance has been straight-lined unto the financial year ending March 31, 2020. First periodic maintenance (overlay) activities have been completed during the FY 2013-14 and next overlay activities will be carried on attaining finality of litigation as detailed in Note no.32 below. With regard to periodic maintenance to be carried out over the balance period, the company has straight-lined the re-estimated project cost to complete and accordingly made provision for present value of such straight-lined projected cost which is shown under non-current provision as on balance sheet date. Based on revised estimation of project Cost, the excess provision which is no longer required is reversed during the year.

### (b) Movement of provision for periodic maintenance

#### ( Note:

- (a) The Company, being Infrastructure Company, enjoys the benefit of tax holiday period for 10 years out of first 20 years of operations. In initial years of operations, the Company has incurred losses and hence had not claimed the benefit of tax holiday period. The Management expects that all
- deferred tax liabilities originated as on balance sheet date pertains basically to infrastructure undertaking which is covered under section 80IA of the
- Income tax Act, 1961. As per the management projections these differences which are originated are getting reversed within the Section 80IA tax
- / holiday period and resulting in insignificant deferred tax asset as at the end of the Section 80IA tax holiday period which incidentally is also the end of the project period. Accordingly, the company has not recognised the resulting deferred tax liability/asset that is expected to reverse during the tax
- 20.05 The unused business loss and allowances is allowable in future period against taxable profit Rs. Nil
- € 20.06 The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

		3,602.45 1
Total	2,350.60	2,703.44
Notes:	5,777.38	6,305.89

(a) Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method, Capplied to contracts that were not completed as of April 1, 2018. In accordance with the cumulative catch-up transition method, the comparatives have

In the Service Concession agreement the Company has applied the guidance in Ind AS 115, by applying the revenue recognition criteria for each distinct performance obligation. The arrangement with the grantor generally meets the criteria for considering regular maintenance and periodic maintenance services as two distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of the contract at its relative standalone price using the expected cost plus margin approach. For periodical maintenance (overlays) and related services, the performance obligations are satisfied only when the services are rendered since the customer generally obtains the control of the work as it progresses though the company accounts for the provision for periodic maintenance as a best estimate is recognised and measured over the period of time in terms of Ind AS 37.

# m r b) Disaggregate revenue information for the year ended March 31, 2023 and March 31, 2022:

The Company has presented disaggregated revenue from contracts with customers (under service concession arrangements) for the year ended March 31, 2023 by offerings and is of the opinion that, this disaggregation best depicts the nature, amount, timing of revenues and cash flows that are affected by the industry markets and other economic factors.

The Company has not identified and	5,777.38 <	6,305.89 1

 $\checkmark$  The Company has not identified any disaggregated revenues based on contract types.

#### C) Performance obligations:

Revenue from periodic maintenance (overlay) are recognised as per the service concession arrangements.

The performance obligation provides the aggregate amount of transaction that is pending to be performed and transaction price yet to be recognised as at end of the reporting period. The Company has applied the practical expedient as given in Ind AS 115 as the performance obligation on periodic maintenance as a part of a concession agreement that has an original expected duration of more than one year. The aggregate value of performance obligation that are unsatisfied as at March 31, 2023 is Rs.8,711.50 Lakhs The company will recognise revenue on completion of the performance obligation on attaining finality of pending litigation [refer note no.32]. Pending the same the performance obligations are recognised as provisions without corresponding recognition of revenue in terms of Ind AS 115.

Assets and liabilities under service concession arrangements on which performance obligation is not satisfied are classified as contract assets and contract liabilities respectively. Refer note nos.7 and 19 above.

#### Fair values

- The following methods and assumptions were used to estimate the fair values:
- ${\mathfrak C}$  The fair values of the unquoted mutual funds are based on NAV available at the reporting date.

#### 29.02 Fair value hierarchy

- The Company held the following assets and liabilities measured at fair value. The Company uses the following hierarchy for determining and disclosing the fair value of assets and liabilities by valuation technique
- Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities;
- valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3: valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

- The Board of Directors considers the fair value of all other financial assets and liabilities to approximate their carrying value at the balance sheet date.
- In view of all financial assets and liabilities are carried at amortised cost, there are no financial assets and liabilities to be fair valued under the fair

#### 30 Financial risk management

#### Financial Risk Factors

- The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets is Loan receivables, Receivable under SCA, Cash and Cash equivalents, Investment and other
- r In the course of its business, the Company's exposed to market risk, credit risk and liquidity risk. The company's senior management oversees the management of these risks. The Company's senior management is supported by audit committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Company's senior management ensure that the company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the company's policies and risk objectives. The risk management policy is approved by the Board of Directors. The risk management frame work aims to:
- (i) create a stable business planning environment by reducing the impact of currency and interest rate fluctuation on the Company's business plans.
- < ii) achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

#### 30.01 Market risk

- Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk
- comprises three types of risk: interest rate risk, currency risk and price risk, such as equity price risk. Financial instruments affected by market risk
- include loans and borrowings, deposits, and derivative financial instruments. The sensitivity analysis in the following sections relate to the position as
- at March 31, 2023 and March 31, 2022.
- The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations, provisions.
- The following assumptions have been made in calculating the sensitivity analysis.
- The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2023 and March 31, 2022.

CIN - U45200KA2005PLC049327

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- ( Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.
- The Company does not have exposure to the risk of changes in market interest rates in view of the Company's long-term debt obligations with fixed
- (interest rates. Borrowings at fixed rates expose the Company to fair value interest rate risk. In respect of deployment of funds by the company of (loans/deposits to the related parties the integer est rate risk has been considered by the company by fixing the terms for those loans for a period not exceeding one year which may be renewed with rates reflecting current market scenario.
  - ( The Company analyses its interest rate exposure on a dynamic basis. The Company's policy is to manage its interest cost using only interest free/ < fixed rate debts from related parties.
- Interest rate sensitivity:
- The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected.
- 50 basis points represents management's assessment of reasonably possible change in interest rate. With all other variables held constant, the
- Company's profit/(loss) before tax is affected through the impact interest rate of borrowings is as follows:

Particulars	Type of currency	200	Effect on pr	ofit before tax r	Effect on t	Rupees in Lakhs total equity/
	<	decrease in basis points	March 31, 2023	March 31, 2022	-235 VIII.	March 31, 2022

Decrease of profit	INR 🕝	(-)50 🗸	(80.79)	(103.06)	80.79 ( (80.79)	103.06

#### 30.02 Commodity price risk

- The Company is affected by the price volatility of certain commodities which is moderated by optimising the procurement for operating activities
- which require continuous procurement of road operation and maintenance materials. Therefore the Company monitors its purchases closely to
- optimise the price.

#### 30.03 Credit risk

- Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial instruments that are subject to credit risk and concentration thereof principally consist of receivables under concession agreement/other
- receivables, loans, investments, cash and cash equivalents provided by the Company. The carrying value of financial assets represents the maximum
- credit risk, which may be affected by the changes in the credit risk of the counter parties.

CIN - U45200KA2005PLC049327

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

#### 30.04 Limmuldity risk

- ( Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing cliquidity is to ensure that it will always have sufficient liquidity to meet its liabilities when they become due without incurring unacceptable losses or risking damage to the Company's reputation.
- Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding through an adequate < amount of committed credit facilities and the ability to close out market positions. The Company's treasury department is responsible for liquidity,</p>
- « Management monitors rolling forecasts of the Company's liquidity reserve on the basis of expected cash flow. This is generally carried out at by the Company in accordance with practice and limits set by the Company. In addition, the Company's liquidity management policy involves projecting ( cash flows in major currencies and considering the level of liquid assets necessary to meet these; monitoring balance sheet liquidity ratios against internal and external regulatory requirements; and maintaining debt financing plans. The Company also issues preference shares to the parent  $_{\varsigma}$  company/ group companies  $% \left( 1\right) =\left( 1\right) +\left( 1\right) +\left($
- The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements.
- « As at March 31, 2023, the Company had a working capital of Rs.36,753.95 Lakhs including cash and cash equivalents of Rs.5,567.32 Lakhs. As at March 31, 2022, the Company had a working capital of Rs.36,349.86 Lakhs including cash and cash equivalents of Rs.4,122.47 Lakhs.
- The following are the contractual maturities of non-derivative financial liabilities, including the estimated interest payment on an undiscounted basis which therefore differs from both carrying value and fair value. Floating rate interest is estimated using the prevailing interest rate at the year end.

#### 32 Litigation

The Company had received a penalty notice from National Highways Authority of India (NHAI) levying a penalty of Rs.1,031.00 Lakhs for delay in Completion of First Periodic Maintenance of the Project which was subsequently enhanced by CAG to Rs.2,344.00 Lakhs. NHAI had subsequently deducted Rs.1,078.62 Lakhs as penalty and damages while releasing 18th Annuity in March 2018 and from 22nd Annuity an amount of Rs..1430.48.J 2kkr.3\* while time specified in Service Concession Agreement (CA) which is considered recoverable in the opinion of the management.

The Company had invoked Arbitration proceedings against NHAI in respect of the dispute on applicability of carrying out periodic maintenance (overlay work) of the road project once in every five years in the Concession Agreement. On January 14, 2020, the Hon'ble Tribunal had pronounced the award ward and had not agreed with the contention of the Company that overlay is to be carried out as and when the roughness index exceeds 2000 mm/km Company to company has to carry out overlay irrespective of the condition of the road. In view of the finding, the Tribunal had directed the work by April 01, 2025. The NHAI had challenged the award before the Hon'ble High Court of Delhi with regard to extending the timeline to commence and complete the second overlay work and third overlay work stating that such concession is not in accordance with Concession Agreement.

The Arbitral Tribunal had further directed NHAI to refund the amount of Rs.1,078.62 Lakhs which was wrongly deducted from the annuity along with refuse the same interest 12% p.a. from the date of deduction. The Arbitral Tribunal had also directed NHAI to pay Rs.30.00 Lakhs towards costs of litigation and the amount of fee paid to the Arbitrators by the Company on behalf of NHAI. NHAI had challenged the award with regard to directions for refund of amount before the Hon'ble High Court of Delhi.

Aggrieved by the findings of the Tribunal, to the limited issue of requirement of overlay upon every 5 years, the Company had filed an application under Section 34 of the Arbitration and Conciliation Act, 1996 before Hon'ble High Court of Delhi by challenging the award to the extent of wrong interpretation of clause 4.3.1 of schedule "I" to CA and rejection of claims for reimbursement of cost of overlay incurred by the company which under given circumstance was not required pending disposal of appeal.

The Honourable Delhi High Court vide its order dated April 06, 2022 had upheld the Company's contentions and held that the overlay is to be carried out as and when the roughness index exceeds 2000 mm/km and rejected the arbitration order which had held that the Company has to carry out overlay irrespective of the condition of the road every five years. It has further upheld the Company's claim in respect of the cost incurred on the first major maintenance and directed that the quantification of the claim to be done by the arbitrator appointed by it. The awards of tribunal on other matters favourable to the Company was further upheld by the High Court.

NHAI has filed an appeal under section 37(1)(c) of the Arbitration and Conciliation Act, 1996 against the order of Single Judge of Hon'ble Delhi High Court before the Division bench of Hon'ble Delhi High Court and Court has directed on July 11, 2022 to maintain status quo of arbitration proceeding i.e. no stay of Service Concession Receivables by reduction of the outflows on overlay cost which would have resulted in significant modification gain to the Company on reversal of those provisions. In view of NHAI's petition before the division bench of Hon'ble Delhi High Court against the order of single judge of Hon'ble pertaining to the service concession agreement and has carried the provision for overlay cost in the books considering that there would be outflows with provisions done for overlay works. The impact of the modification gain and reversal of provision for overlay cost if any, would be given effect on finality of NHAI's petition before the division bench of Hon'ble Delhi High Court.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- 733 The Supreme Court (SC) had passed an order dated February 28, 2019 stating that for the purpose of contribution to be made under the Employees r Provident Fund and Miscellaneous Provisions Act, 1956 ('EPF Act'), the definition of basic wages includes all emoluments paid in cash to the employees in caccordance with the terms of their contract of employment. In view of the same, the Company is liable to make further contribution towards Provident Fund ('PF') on the entire salary paid by it to its employees other than certain emoluments based on performance and variable. However, there is no clarity on effective date from when the liability is required to be paid by the Company. As a matter of caution, the Company has accounted and paid the PF cliability in terms of the SC order on a prospective basis from the date of the SC order i.e., April 1, 2019 onwards. The Company further will account and pay the differential PF liability if any, on receiving further clarity on the subject from the Provident Fund Authorities and the impact if any which in view of the
- 34 The Indian Parliament has approved the Code on Social Security, 2020 ('Code') which may impact the contribution by the Company towards Provident Fund and Gratuity. The effective date from which the Code and its provisions would be applicable is yet to be notified and the rules which would provide The details based on which financial impact can be determined are yet to be framed. The Company will complete its evaluation and will give appropriate impact, if any, in the financial results/statement following the Code becoming effective and the related rules being framed and notified.
- 35 The Management of the Company is of the opinion that no provision is required to be made in its books of account other than those already provided if cany, with respect to any material foreseeable losses under the applicable laws, accounting standards or long term contracts. The Company does not have
- 36 Non-consideration of Service Concession Agreement adjustment for the purpose of computing Income under section 115JB of the Income Tax Act, 1961:

The Company had entered into concession agreement with National Highways Authority of India for rehabilitation and strengthening of existing 2-lane oportion from km 367.000 (Adloor Yellareddy) to km 447.000 (Kalkallu), covering 80.745 kms, and Improvement, operation and maintenance of kms 447.000 (Kalkallu) - 464.000 (Gundla Pochanpalli) covering 17.00 kms on NH-7 in the state of Andhra Pradesh, to 4 lanes under a concession on build,

Indian Accounting Standards (Ind AS) was made applicable to the Company from financial year (FY) 2016-17. Under Ind AS the company being an operator under Service Concession Agreement (SCA) entitled to fixed annuity has classified Carriageways as financial assets. The company in terms of the same is apportioning proportionate amount of Annuity received by it every year to the financial assets so that at the end of concession period the assets becomes NIL and the balance towards financing income and service revenue towards operations. The company accordingly is not charging any depreciation on carriageways as was done under IGAAP. Accordingly the proportionate amount of annuity charges to carriageways is not shown as income / revenue in the profit and loss account and similarly depreciation is not claimed as expenses as was done under IGAAP.

- The As per the provision of section 4 and 5 of the Income Tax Act, the above amount of Annuity which is not included in the profit and loss account is chargeable to tax under normal provision of Income Tax Act. Similarly, the company is eligible to claim expenses of periodic maintenance (overlay) and r income tax depreciation under the normal provision of Act.
- The Company while Computing Book Profit in terms of Section 115 JB of Income Tax Act 1961 has offered the above amount of annuity for tax and corresponding depreciation on carriageways (original cost of project road) and expenses towards periodic maintenance has been claimed while computing 6 book profit under section 115JB of the Act as against the book profit arrived at in the financials based on the financial model in terms of applicable Indian
- To In this regard, the company had placed reliance on the rationale of introducing the MAT provisions (by way of section 80VVA of the Act), that actual r income of the company without allowing deduction under any of the listed provision has to be taxable. The management is of the opinion that adjustment
- made towards SCA results in recognition of notional financial income ignoring annuity income, actual depreciation and will lead to taxability of notional
- income and expenses which will defeat the purpose of introduction of the provision of MAT. As such while computing the book profit under 115JB of the
- Act, the company has removed the notional adjustment as required for SCA model under IND-AS scenario and offered actual profit under MAT computed
- in lines with the IGAAP which it hitherto was following prior to introduction of Ind-As in FY 2016-17 in its income tax returns. The Company has been
- advised that the said treatment has not been challenged by the income tax department in the assessment proceedings held during the year for the
- accounts of first year of adoption of Ind As and the returns have been accepted.
- The Company for the purposes of preparation of financial statements for the current period and englished evidous year has provided for the current tax expense considering profits arrived under financial statements as the most likely amount of tax liability for the year under prudence. The provisions would be crystallized on the finalization of the income tax assessment proceedings and necessary entries would be passed.

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- 37 The Company is engaged primarily in the business of Construction, Operation & Maintenance of Highways. As per the requirements of Ind AS 108, "

  (Operating Segments", the principal revenue generating activities of the Company is from Operation & Maintenance of Highways which is regularly reviewed by the National Highways Authority of India (NHAI). Accordingly, the management is of the view the Company has a single reportable segment and the requirements of reporting on operating segments and related disclosures as envisaged in Indian Accounting Standard 108 is not applicable to the
- The Company's only segment being Operation & Maintenance of Highways comprises of one customer which has contributed 100% of the revenue during the year.
- 38 (The Company has initiated the process of Balance confirmations and is yet to receive balance confirmations in respect of certain financial assets and financial liabilities. The Management however does not expect any material difference affecting the current year's financial statements due to the same.

#### 39 Employee Benefits

a) C Defined Contribution Plans:

The Company's Contribution to Provident and Pension Fund and Superannuation Fund charged to Statement of Profit and Loss are as follows:

# NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023 $\,^{\circ}$

Particulars (		Rupees in Lakhs
vi. Maturity profile of defined benefit obligation	March 31, 2023	March 31, 2022
(Within the next 12 months (next annual reporting period)		
(1-2 year	24.86 €	*********
(2-3 year		24.56
(3-4 year	5.08 (	4.91
4-5 year	5.24 (	5.19
	5.41 (	5.36 €
€ 5-10 year	6.05 (	5.54
vii. Quantitative sensitivity analysis for significant assumptions is as below:	64.84	60.53
Increase / decrease on present value of d. C		
Increase / decrease on present value of defined benefit obligation as at year end  (i) one percentage point increase in discount rate		
((ii) one percentage point decrease in discount rate	(4.51)	(4.00)
(iii) one percentage point decrease in discount rate	5.04	(4.80)
((iii) one percentage point increase in salary escalation rate		5.42 *
((iv) one percentage point decrease in salary escalation rate	3.38 (	3.63 ₹
(v) one percentage point increase in employee turnover rate	(3.09)	(3.40)
(vi) one percentage point decrease in employee turnover rate	1.17 ٢	1.21 《
Sensitivity Analysis Method	(1.27)	(1.32)
1		

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit colligation by percentage, keeping all the other actuarial assumptions constant.

#### Risk Faced by Company:

(The Gratuity scheme is a final salary Defined Benefit Plan that provides for a lump sum payment made on exit either by way of retirement, death, (disability or voluntary withdrawal. The benefits are defined on the basis of final salary and the period of service and paid as lump sum at exit. The Plan design means the risks commonly affecting the liabilities and the financial results are expected to be:

Interest rate risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit cobligation will tend to increase

Salary Inflation risk: Higher than expected increases in salary will increase the defined benefit obligation

Demographic risk: This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

# viii. The major category of plan assets as a percentage of the fair value of total plan assets are as follows:

 $\ensuremath{\checkmark}$  Investment with Insurer managed funds - conventional products

The Company contributes all ascertained liabilities towards gratuity to the Life Insurance Corporation of India (LIC). As of March 31, 2023 and March 31, 2022, the plan assets have been invested in insurer managed funds.

# ix. The weighted average assumptions used to determine net periodic benefit cost for the year ended March 31, 2023 and March 31, 2022 are set out

( Discount rate (p.a.)	March 31, 2023 March 31, 2022
( Salary escalation Rate	7.30% 7.10%
( Attrition rate	6.00% € 6.00% €
← Retirement age	5.00% 5.00%
Mortality Table	60 years 60 years
	Indian Assured Lives Indian Assured Lives
	Mortality (2006-08) ( Mortality (2006-08) (
The estimates of fature calls	(modified) ULT (modified) ULT

The estimates of future salary increases considered in the actuarial valuation take into account inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

The Company expects to contribute Rs.33.76 Lakhs to the gratuity fund during FY 2023-24.

#### c) Leave Encashment

Liability towards Leave Encashment based on Actuarial valuation amounts to Rs. 96.81 Lakhs as at March 31, 2023 [March 31, 2022: Rs. 124.16 / Lakhs].
